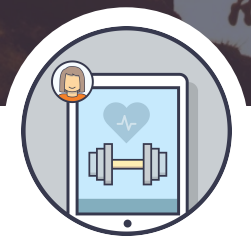
# Membership Payment Collection Made Easy

Ezypay's direct debit payment platform will transform the way you control and collect membership payments and fees.



EZYPAY®

The Ezypay payment platform offers a suite of easy-to-use subscription management services to automate recurring direct debit payments. The platform enables paperless direct debits, automatic failed payment handling and automatic electronic payment reminders.

**Effortlessly handle your payment collection through billing automation.**

## Provide more **payment options**

With the right technology in place, businesses can ensure they're giving members the best possible payment experience.

**Give members the convenience of choice**

- Give members the freedom to sign up to their fee schedule on any device, 24/7.
- Offer multiple payment options. Ezypay accepts paperless direct debits, Visa and Mastercard.

## **Improve** collection rates and cash flow

Recover lost revenue and increase cash flow with automated recurring payments and smart failed payment handling.

**Improve your cash flow with regular, automated payments**

- Automatically collect member fees and cater for a wide range of arrangements, from one-off to recurring payments and more advanced collections.
- Optimise your collection rates through smart failed payment handling. Choose to rebill, continue billing or stop billing altogether.

## Significantly **reduce administration**

Ezypay assists businesses to perform at their highest possible capacity by streamlining the processes around fee collection.

**Use the power of payment automation to free up time**

- Relieve staff of the manual duties around customer sign-ups and late payment collection.
- Easily create bespoke payment plans for your members by setting direct debit instructions such as frequency of payments, amounts to be collected and payment methods.

# **Payment options** to suit your business

Ezypay allows businesses the discretion to decide whether members pay transaction fees, whether they're absorbed by the business or a combination of both. We offer flexible solutions to suit your needs.
